

## ABSTRACT

**Iwan D. Kaiko. Student's ID 221410242.** "The Role of LPM in Productive Economy Efforts of Society in Wonggahu Village of Paguyaman Subdistrict, Gorontalo District". Skripsi. Gorontalo, Study Program of Civics Education, Department of Laws and Society, Faculty of Social Sciences, Universitas Negeri Gorontalo. It is supervised by DR. Jusdin Puluhulawa, SH. M.Si and DR. Sastro M. Wantu, SH. M.Si.

The research aimed to find out and describe the roles and obstacles which were faced by LPM in productive economy efforts of society in Wonggahu village of Paguyaman subdistrict, Gorontalo district. The problem of the research was how the role of LPM in productive economy efforts of society in Wonggahu village of Paguyaman subdistrict, Gorontalo district is.

Method of the research was descriptive qualitative by having phenomenology approach. Therefore the role of research was considered as main actor directly involved in collecting the data through observation, interview and documentation so the collected data were accurate according with the research needs.

The data analysis was done through two aspects. Those are text analysis or informaton by input the text into the sentences groups (data segment) and data or pictures analysis to explain the central phenomenon.

Based on the research results, it could be concluded that the role of LPM in productive economy efforts of society in Wonggahu village of Paguyaman subdistrict, Gorontalo district was good and appropriate with the society expectation particularly related activities with the village development and welfare of people, but there were still several obstacles which faced by LPM in carrying out the role of LPM in productive economy efforts in Wonggahu village of Paguyaman subdistrict, Gorontalo district. Those were less of ability and quality of human resources, lack of fund in doing all the activity also lack of facilities.
