

## ABSTRACT

Mosque is not only the place of worship but also to develop Islam studies. Gorontalo is well-known as the Veranda of Medinah where most of the population is Muslim and the Islamic culture is very strong. This is the reason behind the need of Gorontalo province to build a big mosque not only for the worship but also to facilitate the development of Islam studies. Building the big mosque will add adequate religious facility for Muslim in Gorontalo to worship.
