Abstract

Maya Riska Idrus. 2015. Racial Discrimination in Tate Taylor's Movie "*The Help*". First advisor, Dr. Harto Malik M. Hum and second advisor Adriansyah Katili, S.S, M.Pd.

This research aims to analyze the racial discrimination in Tate Taylor's movie "*The Help*". This movie is adapted from novel with same title "*The Help*". "*The Help*" is story about racial discrimination that black people received from white people. The main data of this research is obtained from the movie "*The Help*" and also supported by some relevant resources. This research used descriptive method which is aimed to describe the data. In analyze the data of this research, the content analysis was applied which covers the three steps and those are identification, classification and interpretation. Besides of that, the researcher used sociological and structural approach to analyze the data. The researcher found 17 conversations which contained with racial discriminations attained by the black people and 2 scenes that contained racial discrimination in public facilities. 17 conversations divided in racial discrimination in separation of bathroom, in the bus, in social interaction and racial discrimination in descent. Mostly, in the finding, bathroom is major issues of racial discrimination to the black people.

Key words: Discrimination, Racial Discrimination, The Help.
