## ABSTRACT

**Anoplin Mokupamo.** Student's ID 451 410 067. "Standard Description of Facilities and Infrastructure to the Implementation of Curriculum 2013 in SMA Negeri 1 and SMA Negeri 3 Gorontalo" (Principal Supervisor was Prof. Dr. Enos Taruh, M.Pd and Co-Supervisor was Dr. Eng. Sri Maryati, S.Si. Department of Earth Science and Technology, Faculty of Mathematics and Natural Science, State University of Gorontalo).

This research aimed at finding out standard condition of facilities and infrastructure to the implementation of curriculum 2013 in SMA Negeri 1 and SMA Negeri 3 Gorontalo. This research is qualitative descriptive, data collections were done by having observation, interview, and documentation. The data validity checking had been done by triangulation method and source of triangulation model. The research result showed that SMA Negeri 1 and SMA Negeri 3 Gorontalo have implemented curriculum 2013 properly. The facilities and infrastructure standard supports to the implementation of curriculum 2013 and continues to improve the existing facilities. As the biggest obstacle in the early implementation of curriculum 2013 was the delayed availability of teachers' and students' handbook, but it has now been running well.
