

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

Conclusions

Based on the results of the study and discussion of the data, the researcher has some conclusions and suggestions as what were described below:

1. After students learn using the Cartoon film Dora the explorer, students demonstrate positive attitudes in the classroom. where students become happier, more energized, not sleepy, bored, more motivated and more enjoy to follow English language lessons in the classroom so that students achieve a passing rating given by researcher. Based on the results of the recapitulation, the average value of the students after using the cartoon dora the explorer is 80%. This value is included in the very well criteria and achieve a passing rating.
2. Cartoon film Dora the explorer can help students to be more easily understand the material provided by the researcher.
3. Cartoon Film Dora the explorer is a pleasant way to teach English.

Suggestions

Based on the conclusions, researcher gave some suggestions as follows:

1. Teachers must be creative to find a good media and grow in the process of learning, so that students can be more interested and do not get bored in the classroom.
2. The teacher can use the cartoon movie as one of the right mediums in teaching English, for example " Cartoon Film of Dora The Explorer". With this medium, students can enjoy, happy, motivated, and more active in the learning process.
3. Teachers are asked to seek other information that can be used to teach students about English. Thus, the teacher has many ways to teach it.
