

ABSTRACT

Umar Udin. 2012. 321 412 060. The English pop song as the medium of mastering vocabulary meaning, synonym, and antonym (A research conducted at the second grade learners of SMP Negeri 2 Pulubala in the 2015/2016 academic year). Skripsi. English Education Study Program, Faculty of Letter and Culture, State University of Gorontalo. It was supervised by Moh. Syamsurizal, S.S., M.Pd and Nurlaila Husain, S.S., M.Pd.

This research aims to investigate and to find out whether the English pop song can increase learners ability in mastering vocabulary or not. The participant of this research was the second grade learners of SMP Negeri 2 Pulubala particularly the class of VIIB which consist of 24 learners. This research used pre-experimental method by applying one group pre-test and post-test design. In collecting the data, this research used a multiple choices test that consist of 22 questions that refers to 3 indicators of vocabulary: meaning, synonym, and antonym. In analyzing the hypothesis this research, it used t-test formula. The criteria used to verify the hypothesis was rejected H_0 if $t_{\text{observatio}}$ lower than t_{list} . As the result, it was found that $t_{\text{observation}}$ was higher that t_{list} . (**12.91 > 1.714**) by using the level significance $\alpha = 0.05$ and degree of freedom $df = (n-1) = 23$. Finally, it can be concluded that the hypothesis of this research is received. It implies that the use of song medium can increase learners ability in mastering vocabulary.

Key words: Vocabulary, Meaning, Synonym, Antonym, English Pop Song.
