## ABSTRACT

**Dewimasyita S. 2016.** Student ID 341411015. Basic Learning of Theater Acting in Vocal through Demonstration Method at Grade VII Students of SMPN 2 Bokat, District of Buol. Skripsi. 2016. Department of Art Education of Drama, Dance and Music, Faculty of Letters and Culture, State University of Gorontalo. Principal supervisor is Zulkipli, S.Pd.,M.Sn and Co-supervisor is La Ode Karlan, S.Pd.,M.Sn.

This research applies learning of vocal technique through demonstration method. Problem statement is how students' learning achievement in basic acting in vocal at grade VII of SMPN 2 Bokat. It aims at, first, describing basic learning process of theater acting at grade VII students of SMPN 2 Bokat by applying demonstration method, and second, investigating learning process of theater, especially in acting.

Data are collected by applying observation and documentation technique. The researcher applies descriptive qualitative analysis to determine whether or not vocal learning influences to learning itself. The researcher applies two stages in basic acting learning which are body movement and vocal. In this case, students are able to master pronunciation and combine letters in the use of diction, intonation, tempo and rhythm. Samples are 26 students of SMPN 2 Bokat at grade VII. Based on finding, several students less understand and less able to grab the learning, they have great curiosity, very enthusiastic, and by applying this method, students will be easier to study well.
