

## **Chapter V: Conclusions and Recommendations**

### **Conclusions**

To sum up, this study have discussed about maxim that occurs in Cinderella movie. This study offer insight into how are the maxims employed in the conversation of Cinderella movie. Also, it has showed the maxims occur in the movie. In this study, found that there are six maxim occur they are : tact maxim, generosity maxim, approbation maxim, modesty maxim, agreement maxim, and sympathy maxim . To lead the researcher conducted and found the maxim, the researcher led by Lech maxim. Hence, the maxims are in the finding used Leech guidance of maxim.

Moreover, this study also found the major maxim occur in the movie is approbation maxim. It became major because in this movie, there are a lot of conversations containing of say thankfulness, congratulation, welcoming, apologizing, praising, and also contain of giving opinion, comment, suggestion, and complain.

### **Recomendations**

Returning to original motivation to conduct this study: to learn more about types of maxim and to gain information how maxim occur in utterance especially in the movie, this study lead a number of recommendations:

First, it is for the lecturer who are in English Department especially for team teaching of literature subject, it is better to increase the student interesting about analyzing the movie. Second, it is also important to give information about politeness principle and the maxim to English Department students. Third, for further researchers, this research can be guideline to

other similar research, and the most important, it is expected that the findings will be used as starting points to conduct another research.
