

CHAPTER V

CONCLUSION

This chapter covers the discussion of the conclusion and suggestion of this study. The conclusion section will explain the description about the conclusion of this study. The study will explain in the discussion section.

Conclusion

Referring to the study findings and the study analysis it is concluding that: 1). Tris as the main character on Divergent novel is closely related to the author's mother (Barbara Ross) it shows on the research findings and research discussion. 2). Five factions on this novel are reflected the author's mother character. 3). this study found 15 data related to the author's mother (Barbara Ross). 4 data explain of Abnegation (selflessness) faction, 6 data explain of Dauntless (boldness) faction, 1 data of Amity (peacefulness) faction, 2 data explain of Erudite (intellectuality) faction, 2 data explain of Candor (honesty) faction. 4). Based on the story of novel it shows that mother is the why, and how Veronica Roth's past the entire problem in her life.

Suggestion

Analyzing a novel by using biographical approach is to unearth the author's life on their literary work. Sometimes we are all influenced by the world around us, individuals experiences can be an affect to makes a better literary work. Therefore, the more you know about the author, the better you can understand the message central to her body of literary work. Divergent novel it's a several example of when a writer's personal life is entwined with their writing. Furthermore to the students of English Education Study Program, this study can be reference to make a research by using

biographical approach. Then to the teachers and lecturers hopefully this study can be learn of life. How to be a better parent of our children.
