Khairi, Miftahul. 2020. Analisis Tindak Tutur Zakir Naik dalam Pidatonya “Islam and 21st Century”. Tesis. Jurusan Pendidikan Bahasa Inggris. Pascasarjana. Universitas Negeri Gorontalo. Pembimbing: (1) Prof. Dra. Nonny Basalamah, M.A., Ph.D (2) Dr. Usman Pakaya, M.A.

Ilmu Pragmatik dan abad 21 membentuk pola pikir manusia menjadi lebih kritis dan lebih berorientasi pada ilmiah. Dengan kata lain, masyarakat dewasa ini membutuhkan petunjuk, berita, informasi, dan inovasi yang jelas dan terpercaya. Oleh karena itu, meskipun masyarakat sangat lekat dengan perkembangan ilmu pengetahuan dan teknologi, mereka tidak menepis kebutuhan bathin atau spiritualnya. Sebagai salah satu cendekiawan fenomenal masa kini, Zakir Naik dalam pidatonya di Oxford Union Debate “Islam and 21st Century”, menuntun pemikiran orang-orang dari kesalahpahaman tentang Islam dan kebenaran Kitab Suci Al-quran. Penelitian ini berfokus pada teori tindak tutur yang dikemukakan oleh Searle dengan hasil berupa interpretasi dari ujaran-ujaran Zakir Naik (speech transcription) yang berhubungan dengan teori dan fenomena milenial. Penelitian ini menggunakan metode deskriptif kualitatif. Teknik pengumpulan data yang digunakan adalah analisis tekstual dan visual. Tahap analisis data yang dilakukan mencakup (1) membaca secara rinci, (2) pengidentifikasian, (3) pengkategorasian, (4) penggambaran dan penafsiran. Penelitian ini menemukan bahwa susunan pidato Dr. Zakir Naik terdiri dari 5 kategori tindak tutur utama: Assertive, Directive, Commissive, Expressive, dan Excersitive. Setiap kategori memiliki tipe subdimensinya masing-masing. Interpretasi yang didapat dari penelitian ini ialah tindak tutur pada penampilan pidato Zakir Naik sangat jelas dan dapat dipercaya. Penelitian ini secara konstruktif mengembangkan penelitian linguistik, khususnya dalam bidang tindak tutur.

ABSTRACT

Khairi, Miftahul. 2020. Speech Act Analysis of Zakir Naik's Speech in "Islam and 21st Century". Thesis. English Education Department. Post Graduate Program. Universitas Negeri Gorontalo. Supervisor: (1) Prof. Dra. Nonny Basalamah, M.A., Ph.D (2) Dr. Usman Pakaya, M.A.

Pragmatics and 21st Century craft people mind to be more critical and scientific oriented. It means people need a solid news, information, innovation, particularly guidance. Even they mostly concern about the development of science and technologies, they cannot deny about the inner needs, the spiritual one. Zakir Naik, one of the phenomenal Islamic Scholars nowadays, with his speech in Oxford Union Debate, "Islam and 21st Century" brings the people out from the misconceptions of Islam and the eligibility of Holy Qur'an to each era of this globe till this millennial time. This study focuses on the Speech Act the Searle's theory. Therefore, the outcome of this work is the interpretation of Mr. Naik utterances (speech transcription) related to the theory and the millennial phenomena. Consequently, this study is descriptive qualitative research methodology. The technique of collecting the data is textual and visual analysis. The technique data analysing is done by several steps (1) detail reading, (2) identifying, (3) categorizing, (4) describing and interpreting. This study finds the speech arrangement of Dr Zakir Naik and there are 5 major speech act categories are found in this study; Assertive, Directive, Commissive, Expressive and Excersitive. Each category has its own sub-dimensional type. The research interpretation elaborates the data of the speech act which explains how solid Zakir Naik's speech performance. This research is constructively developing the study of linguistics, particularly in speech act matter.
