In each Democratic Party momentum of legislative election of Regional House of people's Representatives, each candidate or political party generally has strategy in achieving and dominating the seats in parliament. Strategy is a way or tactic that is organized in such a way to achieve the goal. In legislative elction of regional houser of people's Representatives at Pohuwato District in 2014, each party has different strategy.

This research aimed at investigating/' gaining a clear overview about the strategy of Golkar Party on the uniqueness of victory that Golkar Party has achieved in legislative election of regional House of people's representatives at Pohuwato District of 2014.

The method used in this research was qualitative method using phenomenological approach. The main instrument of research was the researcher himself. The data sources of this research were the Secretary of Regional House of Representatives II of Golkar Party in Pohuwato District, Chief of Youth Departement of Golkar party in Pohuwato District, the Vice Secretary of youth departement of Golkar Party in Pohuwato District, Chief of Secretary of regional House of Refresentatives II of Golkar Party in Lemito Sub-district, Representatives of Regional House of Peopel's representatives of Golkar party in Pohuwato District. After the data were collected, the data then were reduced to make the further data collection be more easy. Next, the data were displayed/presented using narrative text and table. Finally,the researcher made conclusion of the observed problem so that gained a clear overview of the research object.

The research result showed that the victory of Golkar Party by dominating 9 seats in partiament in aech electionof Regional House of People's Representatives in Pohuwato Distric during 3 periods of time was uniqueness. The uniqueness was influenced by the strategy of Golkar party that was organized and designed in such a way to be different with the strategy of other parties that became the opponents, therefore, it brought Golkar Party to the victory. Tus, it can be concluded that the uniqueness of strategy of Golkar Party created the seats domination at regional House of People's Prepresentatives of Golkar Party in Pohuwato District.

Keywords: the uniqueness of Victory and Strategy of Golkar Party
